**ADDENDUM NUMBER 1
TO THE
REQUEST FOR PROPOSALS
FOR IMPLEMENTING THE COLLECTION SERVICES QUARTERLY CONTAMINATION SAMPLING FOR
FY 2011/2012**

Proposals Due: July 14, 2011, 3:00 pm

Addendum Number 1 to the Request for Proposals (RFP) for Implementing the Collection Services Quarterly Contamination Sampling for FY 2011/2012 consists of the following:

Offer to Observe Q2-2011 Contamination Sampling

Prospective proposers are now offered the opportunity to observe the Q2-2011 Quarterly Contamination Sampling work that will take place from June 21-27, 2011. Proposers that are interested in responding to this RFP and would like to observe the Q2-2011 sampling should contact Cliff Feldman at cfeldman@rethinkwaste.org (preferred) or call (650) 802-3502 to schedule a 1-2 hour appointment to observe the sampling work at the Shoreway Environmental Center, 225 Shoreway Road, San Carlos, CA 94070.

It is anticipated that the appointments will be scheduled between 8:00 am and 1:00 pm on June 22 and 23; however, this is subject to change. The appointments will be filled on a first come first served basis.

Please note that observing the Q2-2011 Contamination Sampling work is not mandatory and the proposal evaluation criteria will remain unchanged with regard to whether a proposer participates or not.
