**ADDENDUM NUMBER 3
TO THE
REQUEST FOR PROPOSALS
FOR IMPLEMENTING THE COLLECTION SERVICES QUARTERLY CONTAMINATION SAMPLING FOR
FY 2011/2012**

Proposals Due: July 14, 2011, 3:00 pm

The below table represents part I of Addendum Number 3 to the Request for Proposals (RFP) for Implementing the Collection Services Quarterly Contamination Sampling for FY 2011/2012. The eight questions presented in this table were received in advance of the deadline for submittal of questions per this RFP.

Part I

<u>Question Number</u>	<u>Question</u>	<u>RethinkWaste Response</u>
1	Has a revised “Quarterly Contamination Measurement Policies and Procedures” for the second quarter been developed? If not, what new policies and procedures have been adopted?	For the purposes of responding to this RFP, there are no new policies and procedures that have been adopted.
2	Will storage (for the larger equipment such as tables and containers) be provided on-site between the quarterly sorts?	A secure area for storage of larger equipment will be provided.
4	Total Number of accounts being serviced?	Single-Family = 94,000 ¹ Multi-Family = 4,800 ¹ (Multi-Family Dwelling Units = 60,000 ¹) Commercial= 6,000 ¹
5	Total number of accounts receiving recyclables collection?	Single-Family = 94,000 ¹ Multi-Family and Commercial = 8,000 ¹
6	Total number of accounts receiving organics collection?	Single-Family = 94,000 ¹ Multi-Family and Commercial = 1,600 ¹
7	Total number of daily recycling routes?	Single-Family = 22 Multi-Family and Commercial = 18
8	Total number of daily organics routes?	Single-Family = 21 Multi-Family and Commercial = 4

¹ Approximate quantity provided.

Part II

Proposers must clearly disclose in their proposal if either South Bay Recycling or Recology San Mateo County were contacted with regard to developing a proposal in response to this RFP. Please disclose the general scope of questions asked and responses provided by either company.

There are no other modifications or amendments to the RFP pursuant to this Addendum Number 3.
