EXCEPTIONS TO RFP AND COLLECTION AGREEMENT FORM

Proposers are required to prepare the Cost Proposal Forms (Attachment 10) based on the program specifications set forth in the RFP documents without considering any exceptions or alternatives that may be set forth on this form.

In the event the Proposer takes exception to the RFP specifications or provisions included in the Collection Agreement (Attachment 2) or wishes to propose an alternative, they may set forth those exceptions or alternatives in the following manner:

- The exception or alternative is to be presented in Section 5 of the proposal.
- Each exception or alternative must be presented separately by stating the specific exception or alternative, the suggested changes to the service or program related to the exception or alternative, the suggested changes, if any, in the Collection Agreement (Attachment 2) language related to the exception or alternative, and the reason for the proposed exception or alternative. Proposers may submit the specific dollar change in each of the affected cost items, as proposed by the Proposer in this RFP, that would take place if the exception or alternative was accepted by SBWMA.
- The exceptions and/or alternatives must be followed with the following language without exception.
- **“Except as set forth above, Proposer is in complete agreement with the proposed terms, conditions and business arrangements described in the RFP including the attached Collection Agreement. The Proposer assumes the risk of all conditions foreseen or unforeseen and agrees to provide the services set forth in the Collection Agreement under whatever circumstances may develop other than as herein provided.”**

The form must be signed by an individual authorized to commit the Proposers firm to the Agreement in the manner set forth below.
