MORE PUBLIC TOURS AT THE SHOREWAY ENVIRONMENTAL CENTER IN SAN CARLOS OFFERED FOR SUMMER

Extra Free Tours Offered for the General Public and Businesses in June and July

SAN CARLOS, CA - May 22, 2015 – RethinkWaste is pleased to announce that for the third year in a row, additional Public Open House Day tours will be held at the Shoreway Environmental Center in San Carlos this summer to give the general public and local businesses more opportunities to see the facility in operation. Public Open House Day tours will take place every Thursday in June and July (June 4, June 11, June 18, June 25, July 2, July 9, July 16, July 23 and July 30). Tours will be held twice on each of the Public Open House Day, from 9:30-10:30 am and 11:30 am-12:30 pm. There will be no public tours in August.

The free tours include visiting the Transfer Station, where garbage, food scraps and yard trimmings are handled; outdoor education area, with a demonstration garden and composting system, rainwater harvest tank and solar panel display; a state-of-art Materials Recovery Facility (MRF), where recyclables are processed; the Environmental Education Center, which includes museum-quality exhibits, reuse art and a talking robot; and more. Tour participants will learn about the 4Rs (reduce, reuse, recycle and rot), resource conservation and have the unique opportunity to see firsthand what happens to garbage, recyclables and organics once they are picked up from their homes and businesses.

“With schools on break, we are excited to offer again the additional public tours in the summer on every Thursday in June and July,” said Faustina Mututa, RethinkWaste Environmental Education Coordinator. “We love seeing people leave re-energized from the tour to do a better job recycling at home and work. We highly encourage folks to come out, and bring their friends and family too!”

The Shoreway Environmental Center is located at 333 Shoreway Road in San Carlos. Tours and reservations can be made by sending an email to tours@RethinkWaste.org or calling (650) 802-3506. All tours will be scheduled on a first-come, first-served basis. Reservations for groups of five or more are required. Individual reservations are also recommended to ensure space availability. Public Open House Days will return to their regular schedule of being held the first and third Thursday of the month starting in September. For more information on the tour program, please visit www.RethinkWaste.com/tours.

City of Menlo Park • City of Redwood City • City of San Carlos • City of San Mateo • County of San Mateo • West Bay Sanitary District

RethinkWaste

RethinkWaste is a joint powers authority of twelve public Agencies (Atherton, Belmont, Burlingame, East Palo Alto, Foster City, Hillsborough, Menlo Park, Redwood City, San Carlos, San Mateo, the County of San Mateo and the West Bay Sanitary District) in San Mateo County, California and is a leader in the delivery of innovative waste reduction and recycling programs. RethinkWaste owns and manages the award-winning Shoreway Environmental Center which receives all the recyclables, organic materials, and materials (i.e. solid waste) collected in its service area. RethinkWaste's environmental education and tour program has also received state and national awards, and hosts nearly six thousand visitors per year. RethinkWaste also provides strategic oversight, support and management of service providers that collect, process, recycle and dispose of materials for its Member Agencies. RethinkWaste (i.e., South Bayside Waste Management Authority) was formed in 1982.
