

ADMINISTRATION AND FINANCE

STAFF REPORT

To: SBWMA Board Members
From: Joseph La Mariana, Executive Director
 Hilary Gans, Senior Facility & Contracts Manager
 Farouk Fakira, Finance Manager
Date: May 25, 2017 Board of Directors Meeting
Subject: Resolution Approving the FY17/18 SBWMA Budget

Recommendation

It is recommended that the SBWMA Board of Directors approve Resolution No. 2017- 23 attached hereto authorizing the following action: **Approving the FY17/18 SBWMA Budget.**

Summary

The FY17/18 SBWMA Budget reflects Staff's efforts to manage expenses and revenues to meet the banking covenant ratios, and maintain a healthy capital reserve balance to ensure sufficient funding for future capital projects by the Agency. Staff is recommending no franchise tip fee increases at the Shoreway gate, and an increase of \$1.81 per cubic yard on Public offset a processing fee increase by Zanker.

A summary of the changes from the draft document that was presented to the board in April and today's document are highlight below for your quick review in **Table 1**:

Overview

Budget Process

The process being followed in the presentation of this FY17/18 budget has been structured to provide Board members several opportunities to participate in the budget review and approval process. In addition to budget presentations at the April Board meeting, staff has reviewed the budget with the Finance Committee on April 4th. Due to the complexity of the SBWMA's Budget, Board members are encouraged to contact staff directly with questions prior to the June Board meetings.

Budget's Relationship to the Rate Setting process

With the approval of the FY17/18 SBWMA Budget, the Board is approving Shoreway tip fees necessary to operate the Agency (Shoreway Operations and SBWMA Program & Administrative). Setting the Shoreway tipping fees is the first step in the overall process of determining the Member Agency collection rate adjustment for calendar year 2018. The collection rates that are paid by each residential and commercial customer and are used to pay three main categories of expenses; 1) the cost to tip the blue/green/black cart materials at Shoreway, 2) payments to Recology for collection services and 3) franchise fees to the Agencies. The Member Agency rate setting process will occur in the fall of 2017 and at that time the SBWMA Operations revenue requirement will be added to the Collection Services revenue requirement to arrive at the collection rates for approval by the Member Agency's governing bodies prior to January 2018.

Organization of the Budget Report

This Preliminary FY17/18 SBWMA Budget report is organized into sections that correspond to sections in the SBWMA budget spreadsheet provided in **Attachment A**. This report provides analysis of the major budget variance in the report sections titled **Net Income, Reserve Balances & Bond Covenant, Budget Revenues,** and **Budget Expense**. Additional details and support information are included in the attachments that are referred to within the body of this report. The Budget expenses include the following major cost components:

- The cost to own and maintain the Shoreway facility
- The cost to pay SBR to operate the facility
- The cost of off-site disposal and processing of materials
- SBWMA program & administrative expenses
- Debt service, and other expenses.

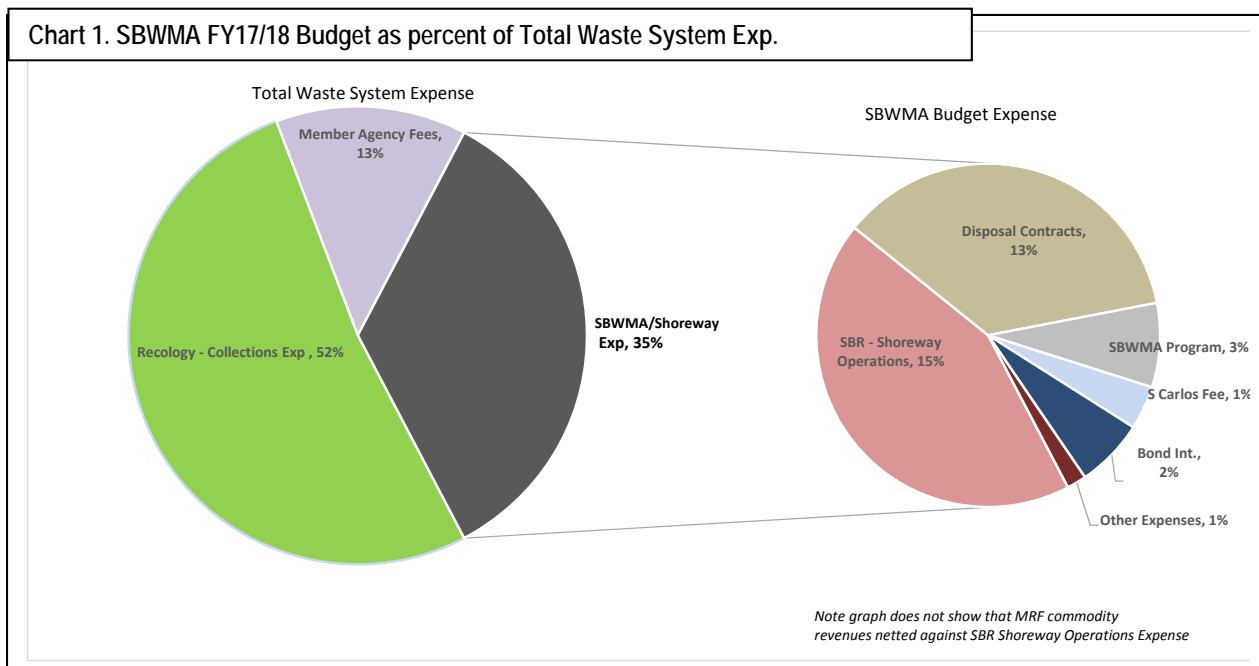

Chart 1 presents the total expense of the “Waste System” and shows how the SBWMA Budget relates to the Recology collection services and Member Agencies’ franchise fees. An understanding of the relative proportion of each item in the Budget and its relationship to the overall rate structure provides a good framework for understanding how best to manage the Waste System expenses and rate impacts. A case in point, is the fact that the agency is embarking on a Collection Services contract negotiations process that affects **52%** of the total waste system rate structure and is tied to future Collections Services commitments that will likely exceed \$60M per year or close to a billion dollars over the full term of the new Collection Services contact. Also notable is the fact that:

- 1) Most of the Waste System expenses are under contract and as such, the annual adjustments are determined by contractually established indexes such as CPI that help provide rate predictability and stability.
- 2) The SBWMA Program & Administration expense represents ~3% of the total Waste System and has a minor impact on the Member Agencies’ residential and commercial rates.
- 3) The Member Agency franchise fees are part of the collection rates and represent approximately **13%** of total Waste System expense.

SBWMA Budget Analysis

Table 2 below presents a high-level summary of the FY17/18 SBWMA Budget and the variances for major categories from prior year’s adopted and mid-year budgets.

FY17/18 PROFIT AND LOSS & CASH FLOW SUMMARY

² FY17/18 capital net of MRF equipment replacement fund of \$1,840,000					

Net Income, Reserve Balances, and Bond Covenant

As Shown in Table 1, the SBWMA is experiencing a negative Net Cash Flow of (\$200,445) Contribution to Reserves after bond principal and capital expenditures spending for FY17/18.

The SBWMA Finance Committee reviewed the draft budget at the April 4th meeting and considered the major assumptions of the FY17/18 Budget and staff’s recommendation not to raise franchise tipping fees at Shoreway. The committee also

considered that the current tipping fee will generate sufficient net income to: 1) cover the agency's expenses, 2) meet the bond covenant obligations, 3) maintain reserves at levels that meets Board policy, and 4) maintain reserves to meet the future capital needs of the agency.

Table 3 below shows the FY17/18 SBWMA Budgeted reserves.

SBWMA Revenues

Chart 2 illustrates the major SBWMA revenues by source and that most of the Agency's revenue is derived from Shoreway tip fees and to a lesser extent commodity revenues, and other revenues. These tip fees are paid by Recology and the public/non-franchise customers for each ton of material delivered to the Shoreway facility (different tip fee amounts are charged for different material types). (Note that the SBWMA has the goal of aligning each tip fee with the costs for handling/ disposing each of the different material types delivered by franchise and public customers). An important part of correctly forecasting tip fee and commodity revenues is estimating the quantity of tons by material type that will be delivered in the fiscal year. This process is completed by trending-forward actual tonnage received in the prior year and making adjustments to the trend based on known changes in inbound tons.

*Gross commodity sales – 28.02% revenue share with SBR and buyback payments.

Table 4 above provides a summary and variance of all the Agency's revenue streams for the 17/18 Budget compared to FY16/17 and mid-year budgets. Total Revenues for the Agency are expected to be \$2.9 M higher than prior year. Major variances for each revenue line are discussed below:

Tip Fee Revenues – Tip fees are charged at Shoreway on each ton of material entering the facility (the total tons times the tip fee equals the agency's tip fee revenues). For FY17/18, there are no large changes in anticipated inbound franchise tonnage. The total FY17/18 tip fee revenues of \$38.8M shown in the table are based on no tip fees increase on franchise material and a \$1.81 per cubic yard increase on public C&D streams January 1, 2018.

- o The current franchise tip fee for solid waste delivered to the Shoreway facility by Recology is \$104 per ton.
- o The public/non-franchised customer's fee for solid waste is charged based on cubic yardage volume at \$41.

Net Commodity Sales Revenues - In the middle of FY16/17, commodity prices improved 15% over what was forecasted in the Adopted FY16/17 Budget. The improved net commodity revenue for the FY17/18 Budget is forecasted to be \$1,072,133 higher (or \$21.69 per ton) than commodity revenue in FY16/17 Budget (\$141 vs. \$120 per ton. See **Attachment D** – Commodity Price Information for detail on commodity price trends and projections).

MRF Host fees - The host fees revenues have been discontinued effective January 1st, 2017 due the termination of the contract by Recology. Recology has made a commitment to bring new tonnage to the Shoreway transfer station to help mitigate the loss of the host fees on recyclable tonnage.

Interest Income - Interest income revenue is generated from the interest on the Agency's invested reserves. The Agency's Reserves are invested in funds that emphasize stability of principle (San Mateo County Fund, LAIF). The revenues are a function of interest rates and the amount of money held in reserve.

HHW and Other – The House hold hazardous waste (HHW) program has been discontinued effective January 1st, 2017. There was a slight improvement in the E-Scrap Recycling Revenue of \$7,494.

SBWMA Expense Budget

As shown in Chart 3, the Shoreway Operations and Disposal Contracts items represent the majority of the FY17/18 SBWMA Budget expense (approximately 82%). Important points about these major expenses include that they are:

- 1) Variable according to the quantity of material delivered to the Shoreway facility.
- 2) Under contract with cost increases indexed so the year-over-year variance is predictable and stable,
- 3) Linked to offsetting revenues collected from tip fees on inbound tons to the facility.

Table 5 below summarizes the expenses for the FY17/18 Budget by major category. The Total Expense is projected to be \$44,104,464 and is \$1.7M (4.0%) higher than the FY16/17 Adopted Budget. Each expense category shown in the table below is discussed in more detail under section titles matching the expense category line in the Expense Summary below.

Shoreway Operations Expense Detail

Table 6 below shows the Shoreway Operations Expense Detail for FY17/18. The total expense for the Shoreway operations are projected to be \$40,484,450 which is \$1.5M (4%) over FY16/17 Adopted Budget. Variances for each expense line are discussed below:

* Expense projection based on estimated facility tonnage					
** Expense projection based on estimated gate revenue (tipping fees x estimated tons)					

SBR Compensation Expense: There is a projected 3% increase in the fees paid to SBR to operate the Shoreway facility and transport outbound materials to the disposal and processing facilities resulting largely from an increase in the VRS hourly rates up to \$15 from \$11 for the MRF sorters, and slightly more tons. SBR's 2017 compensation will increase by approximately \$512,892 in 2017 (see Table 4 and **Attachment E**).

Disposal and Processing Expense: There is 3% increase in disposal and processing expense which is based mainly on a 3.0% estimated increase in January 1, 2017 rates. The increase in disposal rates are the result of contractual indexing procedures for disposal, composting, C&D and other processors. In addition to making the cost increases predictable, the contractual indexing of cost increases has worked well to contain cost increases and keep rates low for the Member Agencies. This said, there is however, the potential for large cost increases at the expiration of the existing contracts in 2017 and in 2019. The SBWMA staff attempts to manage the Agency's contracts to achieve the best negotiated arrangement for the Member Agencies. During the FY16/17 budget year, the Zanker Road Resource Recovery for C&D processing rate increase of \$60 per ton has taken place effective February 1st, 2017. The rate goes up to \$65 effective February 1st, 2018. Since C&D is a public/non-franchise material stream, the actual increase in C&D costs will be targeted to that stream and will have no impact on franchise tip fees. (See Table 5, **Attachment E**).

Other Operating Expense: Credit card transaction fees paid by SBR and reimbursed by the Agency for public/non-franchisee customer transactions has decreased by \$33K due to a change in banking by SBR and which resulted in a favorable banking fees.

Taxes (sewer): Sewer usage fees paid on the property tax bill are based on the potable water usage (water meter) at the site. Water conserving measures are being considered for next year to reduce the sewer tax.

Franchise Fee (San Carlos): Under the terms of the land use permit granted by the City of San Carlos to the JPA, the SBWMA is obligated to pay the City 5% of the total Shoreway tip fee revenue. It is 6% higher than last budget due to projected higher revenues.

SBWMA Program & Administrative Expense

The total SBWMA Program & Administrative expense is shown is \$3,620,015 (see **Table 4** and **Attachment A** - FY17/18 Capital & Operating Budget Detail with expense variances described in line-by-line detail in the budget). The SBWMA Program & Administrative budget includes the staff, administrative, and program related expenses to operate the JPA. (The agency uses consultants to supplement staff time and expertise to fulfil the contract compliance, agency reporting, program and administrative functions to meet the goals established by the Board, the agency's contracts and regulatory bodies). The anticipated wage and benefit increase is 3% over prior year. The staff merit increase pool assumes a 3% increase on total wages (adjustments are made on a calendar year basis). The SBWMA provides non-PERS benefits that are low-cost when compared to other public agencies. Per the Agency Assessment (approved on March 27, 2017), two reclassified positions are reflected in this year's budget, the new Senior Facility & Contracts Manager and the Environmental Education Programs Manager. Further staff expense detail and a discussion on staff wages and benefit costs can be found in **Attachment C** – Organization chart and Personnel Summary.

SBWMA staff will be working to complete critical projects during the FY17/18 that are detailed in **Attachment B** – SBWMA Programmatic Detail. A summary of the key projects for FY17/18 include:

- Conducting the Collection Services contract negotiations process with Recology and providing support to the Member Agencies relating to the collection contract extension.
- Completing commercial collection efficiency pilot to boost aid cost reduction and recycling capture.
- Completion of a technical and financial feasibility analysis of a waste processing system to recover organic materials and other recyclables from solid waste to boost JPA diversion.
- Implementation of programs and projects that have been approved by the Board and that are part of the Long Range Plan and the Zero Landfill Workgroup efforts. These projects include implementation of the following:
 - Enhanced commercial recycling outreach targeting businesses and multi-family.
 - Environmental education program supporting in-school recycling and composting efforts.
 - Piloting gasification technologies for green waste and MRF residue.

Capital Expenditures

The FY17/18 Capital Expenditures budget is \$1,840,000 (see **Attachment A** - FY17/18 Capital & Operating Budget Detail). Per Board feedback, staff is forecasting capital spending on a five-year basis. The forecast includes the recommended capital projects presented in the 2015 Long Range Plan.

Background

The SBWMA Budget is reviewed by the Board in April and is considered for approval at the May Board meeting each year. On April 4th the Finance Committee reviewed the assumptions of the Preliminary FY17/18 SBWMA Budget. The Preliminary FY17/18 Budget was presented to the Board at the April Board meeting and is being considered at the May meeting for approval.

Fiscal Impact

The FY17/18 Budget forecasts a Net Income of \$2,855,888 which is \$1.25 million higher than FY16/17 Adopted Budget (see Table 1 on page 3 of the staff report). The Net Income projection are primarily a function of the following factors:

- Higher non-franchised revenue of \$.57 million, higher franchised revenue of \$1.69 million, higher net commodity revenues of \$1.07 million from mainly higher commodity prices.
- Higher Total Shoreway Operations expense of \$1,468,758 primarily due to annual cost adjustments included in the SBR and Disposal & Processing contracts, \$186,372 due to tonnage increase, \$337,502 in higher property insurance and \$ 50,000 in higher Shoreway maintenance expenses.

The Shoreway no tip fee increase for franchise customers is estimated to have a neutral impact on franchise collection services rates effective January 1, 2018.

Attachment B: FY17/18 Budget SBWMA Administration & Programs Detailed

SBWMA Budget Section: ADMINISTRATION EXPENSE

Staff Resources: Joe La Mariana, *Executive Director*; Farouk Fakira, *Finance Manager*; and Cyndi Urman, *Office Manager/Board Clerk*.

Description: Provides for overall administrative operations of the agency, including: personnel administration, budget development, financial projections, expense payment processing, fiscal management, Board of Directors administration, customer service, risk management, records retention, and information technology. Budget for these functions is captured under "Administrative Expenses." Key efforts include:

Budget and Financial Analysis

- Review the prior year budget to identify budget variances and plan for a mid-year adjustment, if needed.
- Prepare the FY18/19 budget for Board review and approval.
- Prepare two calendar year financial projections to support Shoreway tip fee assumptions and to "test" bond covenant requirements.
- Review existing tipping fees and develop recommended tipping fee adjustments.

Accounting and Fiscal Management

- Complete prior year financial audit and calendar year financial statements for bond reporting.
- Maximize use of competitive bidding for technical consulting services particularly for scopes of work exceeding \$25,000.
- Meet bond covenants and reporting requirements as specified in the Indenture to ensure compliance including the two debt coverage ratios.
- Monitor South Bay Recycling (SBR) monthly reporting (per Operations Agreement) of tonnage and review their monthly invoice for accuracy prior to payment.
- Manage monthly cash transfers to/from SBR (per Operations Agreement) for commodity revenue, public revenue, and payments for operations.
- Review and verify SBR's detailed monthly calculation of commodity revenue.
- Manage monthly billings to and payments from Recology for tipping at Shoreway as prescribed in the Member Agency franchise agreements.
- Ensure all procedures are followed and receipts and payments to vendors are supported by proper documentation and made on timely basis.
- Review the Quarterly Investment Report to the Board prepared by the City of San Carlos.
- Renew general insurance policies (property, general liability, EIL, D&O, etc.) and ensure proper coverage is maintained.

Human Resources

- Manage the payroll and benefits administration, including managing the annual renewal of employee benefit plans to ensure cost effective and competitive plans.
- Make timely payments to vendors for payroll, retirement plan, and HSA plan.
- Monitor payroll process and ensure timely and accurate payment to employees.

Board of Directors/Member Agency Services & Administration

- Maintain the Board of Directors webpage to ensure accurate and up to date information is available.
- Update as needed the website's Board Member portal feature to house information of interest.
- Maintain accurate and up-to-date records for the SBWMA, including Board meeting minutes, resolutions, ordinances and contracts.
- Update as necessary the Board of Directors JPA and Contracts Resources Binder.
- Provide Board Packets to the Board of Directors accurately and on time.
- Manage compliance with record retention and other Board adopted policies.
- Meet with Board Members, particularly any new Board Members, to address questions and concerns and any unique Member Agency needs.

- Respond to Board Members, and Member Agency staff communications in a timely, professional and accurate manner.
- Provide high quality customer service to members of the public that contact the SBWMA, including providing helpful, accurate and timely information.

New FY17/18 Projects/Activities

- Evaluate the current model used for outsourced HR and payroll administration by a third party and make recommendations for changes, if appropriate.
- Initiate 3-year contract cycles with proven service providers to minimize board touches and administrative redundancies.
- Continue evaluation on all contracts to determine direct alignment with agency goals

SBWMA Budget Section: MEMBER AGENCY SUPPORT & CONTRACT COMPLIANCE

Staff Resources: Joe La Mariana, *Executive Director*; Hilary Gans, *Senior Facility & Major Contracts Manager*; Farouk Fakira, *Finance Manager*; Vacant, *Recycling and Sustainability Programs Manager*.

Description: Key efforts include:

Contract Administration

- Contract administration support for collection services franchise agreements including follow-up on audit findings, financial auditing, contract extension amendments support.
- Continued oversight of SBR's operations per the Shoreway Operations Agreement (see "Shoreway Operations" budget worksheet).
- Management of the 2018 SBR compensation application review process and completion of the final SBWMA final report
- Hire technical contractor to manage the annual Member Agency rate review process, including review of the 2018 Recology compensation application, and completion of the SBWMA final reports reviewing the Recology compensation application and consolidated rate report for 2018. Contractor will work closely with the agency financial staff during next two years to ensure smooth transition of tasks and responsibilities.
- Initiate audit work and review of operational data included in the 2018 compensation applications. This work will be a combined effort between rate review contractor and agency staff.
- Review 2017 Annual Report from Recology, as required per Member Agency franchise agreements.
- Hire contractor to conduct 2017 rate (calendar) year audit of collection services and facility operations reports, tonnage data and customer service systems. This project is conducted annually due to the fiscal impact associated with the self-reported information contained in the company's annual reports and compliance with related performance standards. Implement 2017 rate year audit findings as appropriate.
- Hire contractor to conduct 2017 rate year audit of financial systems (includes Recology's revenue reconciliation) of both contractors to verify financial risks to SBWMA and its Member Agencies. This project is conducted annually as significant ongoing financial transactions are conducted between the companies.
- Implement 2017 audit findings, as appropriate, and follow up with Recology to ensure progress on implementing audit recommendations.
- Provide prompt responses to questions/issues/complaints from the public and Member Agencies regarding their franchise agreements and the collection services. The RethinkWaste phone number is publicized and staff frequently responds to requests from the public.
- Provide prompt responses to questions/issues/complaints that are raised by the public and Member Agencies regarding their use of the Shoreway facility.
- Develop a Member Agency snapshot report for 2017 and make presentations to Member Agency governing bodies upon request.

Rate Review, Analysis and Projections

- Using staff and technical contracting resources, complete SBWMA final reports providing a review of the Recology and SBR compensation applications and project the revenue requirement needed for the subsequent rate year which directly results in determining the rates that need to be charged by each Member Agency.

- In coordination with technical contractor, provide direction and support to Recology with making changes or improvements to their Annual Compensation Application.
- With technical contractor support analyze the very detailed cost adjustments in the Compensation Applications from Recology and SBR and conduct a detailed review of special issues if needed.
- With technical contractor support, prepare financial analysis for projected revenue and total collection and pass-through costs to determine total rate adjustment for each Member Agency.
- Prepare a collection cost variance analysis by detailed cost categories by Member Agency to aid in understanding collection cost changes.
- Support Member Agencies with analysis of rate issues and attend rate hearings or rate related meetings as requested.
- Update 5-year collection cost projection by Member Agency for collection cost components: Recology cost, disposal expense and Member Agency fees.
- Review Recology's Revenue Reconciliation Report. Recology's report is self-reported and is important to determining revenue requirement needed to establish rates for Recology's annual compensation increase.

New FY17/18 Projects/Activities

- In coordination with staff and technical contractor, provide rate-related support to assist Member Agencies with implementing rate changes, aligning rates with costs, and diversion incentives.
- Provide technical support for Member Agencies during their (presumed) negotiation of a Potential Franchise Agreement Extension with Recology.
- Implement a plan to transition rate review functions to an expert rate review expert (2-year plan). Year 1—orient contractor to assume full rate review duties in 2019.
- Evaluate/recommend a potential transition plan to convert Agency financial structure from FY to Calendar Year before December 31, 2020 (end of current Franchise term).
