ADDENDUM 1: Q&A WEBSITE REDESIGN RFQ

The purpose of this document is to provide responses and clarification to questions received by RethinkWaste/SBWMA from potential proposers regarding RethinkWaste's Request for Qualification for Website Redesign issued on December 3, 2018.

Question 1: *"Our website projects usually take 6-8 months for completion. Is not meeting the go-live date in the RFQ a deal-killer?"*

RethinkWaste Answer 1: RethinkWaste's website redesign timeline may be up for negotiation depending on the scope of the project proposed by the website firm; therefore, it may not be the only decision criteria used when selecting a website firm.
